What is Human Relations Day?

Human Relations Day is one of six churchwide Special Sundays with offerings of The United Methodist Church. Human Relations Day calls United Methodists to recognize the right of all God’s children in realizing their potential as human beings in relationship with one another. The special offering benefits neighborhood ministries through Community Developers, community advocacy through United Methodist Voluntary Services and work with at-risk teens through the Youth Offender Rehabilitation Program. Please place your donation in the special envelope provided and deposit in the offering plates this morning.
