“CREED” Bible Study Continues

Wednesday night, April 18 is the second session of Adam Hamilton's 6-week bible study *CREED: What Christians Believe and Why*. Hamilton says, "For Christians and for others seeking faith, some powerful answers to this question are expressed in The Apostles' Creed." This study will extend through all of our age groups so children, youth and adults will be discussing the same topic; each within their own level of understanding. Youth and adults will meet together in the Visioning Center.
